Terms & Conditions- Effective 1st January 2014

1. Definitions and interpretation

For the purpose of these Terms, unless the context otherwise necessarily requires Kong's (Aust.) Pty Ltd, Kong's means Kong's (Aust.) Pty Limited ABN 68 050 291 766 Applicant, Purchaser refers to the person/s as nominated on the Account Application document. Goods refer to the Supplier's goods or services provided by Kong's (Aust.) 2. Supplier Offers to Trade

This Agreement sets out the respective rights and obligations of the Purchaser and the Supplier on approval of a Trading Account. Once the Purchaser signs the Trading Account Application document, the Purchaser will agree to and abide by this Agreement. The Applicant may not assign or transfer any of their rights or obligations without the prior written consent of Kong's (Aust.) Pty Ltd. This Agreement overrules any prior form, document or letter from Kong's.

The Applicant understands that all of or in part of this Agreement may be deleted, altered and /or inclusions made without prior consent. The current Terms and Conditions are available by request to the office.

This agreement, in it's entirety or in part, may only be waived, with the variation stated in writing and agreed to and signed by, an authorised officer of Kong's. Where the Applicant is a Corporation or Trust, one or more Director/s or trustee/s must guarantee the Applicant's obligations upon this Agreement and provide personal details as requested, in their entirety, on the Trading Account Application document.

A new Account Application is required for any change to the Purchaser business ownership or business structure. Other changes to the business and personal detail e.g. change of name/s, address/s and contact number must be notified to the Supplier in writing immediately and prior to the next order.

Kong's (Aust.) Pty Ltd may reject or refuse to accept a Trading Account Application from you without notifying cause or reason.

3. Pricing (Wholesale), R.R.P. and G.S.T.

All prices are subject to change without notice. Please refer to invoice or call Kong's office for current pricing. Price list should be used as a guide only. Prices are quoted before freight/handling charges and are exclusive of G.S.T. All goods are subject to Australian G.S.T. regulation. Recommended retail prices are quoted as G.S.T. inclusive.

4. Discounts and /or Contract Pricing

Any standard discount structure, if offered, will apply to the price applicable at the date of invoicing. Nett priced items are not included under the standard discount structure. Contract pricing, if offered, is separate to the standard discount structure.

The Supplier reserves the right, to reduce, suspend or forfeit the Purchaser's standard discount or any contract pricing, without notice, due to but not limited by:

- (a) Default of the Purchaser's account.
- (b) Late payment history.
- (c) Account inactivity over six months.

5. Supplies of Goods

- (a) A Contract will be created upon:
 - (i) Receipt by the Supplier of an oral or written order from the Purchaser requesting the supply of Goods; and
 - (ii) Acceptance of that order by the Supplier.
- (b) The Supplier may at any time, and in its absolute discretion, refuse to supply Goods to the Purchaser.

6. Quotations

- (a) The mere provision of a quotation by the Supplier does not constitute a Contract.
- (b) The Supplier may at any time and in its absolute discretion amend or withdraw a quotation.

(c) A quotation expires on the date specified on the quotation as the expiry date. If no expiry date is specified, the quotation expires 7 days after the date of the quotation.

7. Order Acceptance and /or Refusal

- (a) Any order by the Purchaser for the supply of Goods shall:
 - (i) If in writing, be signed by an authorised representative of the Purchaser;
 - (ii) Identify the Goods ordered;
 - (iii) Be subject to these Terms and such additional terms as the Supplier may be in its absolute discretion require.

(b) The Supplier may accept or decline, in whole or in part, an order from the Purchaser. Supplier may amend quantities ordered. The Supplier may substitute Goods with a similar price and nature if agreed to, by the Purchaser, in the Trading Account Application document. Once an order is placed, it becomes binding from the moment that the Supplier accepted it.

(c) The Purchaser must notify the Supplier in writing, or nominate on the Trading Account Application document, whom on your behalf, the Supplier may accept orders or enquiries from, in addition to a representative from the Supplier. The Supplier accepts no responsibility for orders placed or queries made by person who mislead the Supplier into believing that they act on the Purchaser's behalf. The Applicant agrees to a minimum opening order value of \$750.00.

8. Payment & Credit Terms (if offered)

All invoices from the Supplier are payable prior to dispatch. Any approval by the Supplier to grant credit terms will be notified in writing to the Purchaser and must be strictly adhered to as per the terms granted. Any amount shown on invoice or as per the Statement is payable by the Purchaser without deduction, set off or cross claim.

The Supplier may make changes to credit terms at anytime and without prior notice. See also under Payment Methods.

9. Retention of title

(a) The Supplier maintains legal and equitable title in any Goods supplied to the Purchaser until payment in full for or in connection with the supply of the relevant Goods has been received by the Supplier. Until payment in full has been received, the following terms apply.

(b) Notwithstanding that title in the Goods remains with the Supplier until payment has been received in full, the Purchaser may sell such Goods in the ordinary course of the Purchaser's business. As between the Purchaser and the Consumer of any item of the Goods, the Purchaser sells as principal and not as agent of the Supplier. The proceeds of sale of each item of Goods must be held by the Purchaser in a separate fund on trust for the Supplier and the Purchaser is under a duty to account to the Supplier for such proceeds. The creation of, or any failure of, any such trust shall not in any way limit the obligation of the Purchaser to pay an amount to the Supplier for Goods supplied.

(c) Until Goods are sold, the Purchaser must keep the Goods safe and free from deterioration, destruction, loss or harm, clearly designate the Goods as the property of the Supplier, store them in such a way they are clearly identified as the property of the Supplier and keep full and complete records, firstly, of the physical location of the Goods and secondly, the ownership of the Goods by the Supplier.

(d) The supplier is irrevocably entitled at any time and from time to time before sale of any item of Goods by the Purchaser to inspect or to recover and reclaim possession of such Goods and otherwise exercise in relation to the Goods any of its rights whether those rights are as owner and /or unpaid Seller or otherwise and whether those rights are conferred by common law, contract, statute or in any other way. In order to exercise such entitlement, the Supplier and its agents are irrevocably authorised by the Purchaser to enter any of the Purchaser's premises or vehicles or those of any third party. The purchaser agrees to obtain the consent of any such third party to such entry by the Supplier and to indemnify the Supplier and its agents for any liability arising from any entry upon such third parties' premises or vehicles. The Supplier and its agents agree to take all reasonable care in removing the Goods from such premises or vehicles but, to the extent this liability may be disclaimed by law, are not liable for any damage or injury to such premises caused by the removal of the Goods.

(e) This reservation of title and ownership is effective whether or not the Goods have been altered from their supplied form, or commingled with other Goods.

(c) The Purchaser will not enter into any security agreement that permits any other person to have or to register any security interest in respect of the Goods or any proceeds from the sale of the Goods until the Supplier has perfected its purchase money security interest.

(d) For any Goods supplied that are not Goods that are used predominately for personal, domestic or household purposes, the parties agree to contract out of the application of section 95, 118, 121(4), 130, 132(4), 135, 142 or 143 of the PPSA in relation to the Goods.

(e) The Purchaser hereby waives any rights the Purchaser may otherwise have to:

- (iv) Receive a copy of a verification statement confirming registration of a financing statement, or a financing change statement, relating to any security interest the Supplier may have in Goods supplied to the Purchaser from time to time.

(f) For the purposes of this clause "PPSA" means the Personal Property Securities Act 2009. The expressions "accession", "collateral", "financing statement", "financing change statement", "security agreement", "security interest", "perfected security interest" and "verification statement" have the meanings given to them under, or in the context of the PPSA. References to sections are to sections of the PPSA.

This includes those premises or vehicle/s of an associated company or agent where the goods are stored or displayed and where the Supplier believes there are reasonable grounds to expect that the Supplier may find goods in whole or in any part, within. The Supplier may keep or re-sell these re-possessed goods at Supplier discretion.
